Former U.S. Special Operations Marine-turned full stack developer with a high attention to detail and advanced problem-solving skills. A jack of all trades with a curiosity for learning and analytical mindset.

## Skills

- HTML5
- CSS
- MySQL
- React JS
- JavaScript
- Python
- Django REST framework
- React Js
- Docker
- AWS
- React Bootstrap

## Education

### Full Stack Developer

Jun 2022

DevCodeCamp

Milwaukee, WI

DevCodeCamp prepares students for careers in full stack development, focusing on Python, JavaScript, React.js, Django, SQL, and DevOps. The course also instructs on how to build beautifully designed client-side applications, server-side applications, databases, and bring it all together in a deployment environment that others can access.

### Helicopter Pilot: Aviation

Dec 2021

Quantum Helicopters

Chandler, AZ

- Obtained private pilot license in Dec 2021
- Completed private pilot checkride on 1st attempt
- Planned and executed daily flight plans
- Checked aircraft prior to flights to maintain proper functionality of engines, controls, instruments and other systems.

- Completed careful pre-flight checks and post-flight briefings to maintain safety standards.

## High School Diploma

Jun 2015

Waterford School

Sandy, UT

Waterford School is Utah's premier liberal arts, college preparatory private school for students preschool through high school.

- Elected Captain of **Varsity Men's Lacrosse Team**
- Awarded **First Team All-State Midfield Lacrosse Player**

## Work History

### Deputy Sheriff

Oct 2019 - Apr 2020

Wasatch County Sheriff's Department

Heber, UT

- Assessed and analyzed data to clarify course of criminal prosecution.
- Apprehended suspects, read Miranda Rights and transported offenders to jail.
- Patrolled assigned areas to prevent and detect roadway crimes.

### Force Recon Marine

Jun 2015 - Dec 2018

United States Marine Corps

Oceanside, CA

The mission of Force Recon is to conduct amphibious reconnaissance, deep ground reconnaissance, surveillance, and raids. The selection and training course is intensely rigorous. The dropout rate is high—over 50% of candidates who attempt Recon selection drop out. Of those that don't pass selection, half are failed due for medical reasons. The other half, nearly a quarter of all candidates, voluntarily choose to quit.

### Achievements:

- Graduated from multiple advanced special operations schools including SERE school, Basic Reconnaissance Course, Airborne, and Military Freefall, among others
- Promoted to Sergeant within 3 years of military enlistment
- Awarded Navy and Marine Corps Parachutist insignia
- Awarded USMC Combatant Diver badge
